SILVERSEA®

2025 | VOYAGES AND EXPEDITIONS

Dear Luxury Traveller

At Silversea, we believe that nothing should stand between you and the authentic beauty of the world. Our all-inclusive, ultra-luxury voyages are carefully crafted to offer the most life-enhancing experiences, whether that's enjoying the immersive enrichment of an ocean-going voyage or the thrilling adventure of an expedition journey.

From Spain, France and Italy to Greece and the Dalmatian Coast, our 2025 Mediterranean Collection offers you a deeper understanding of each unique destination, from its little secrets and hidden coves to its iconic sights and cultural treasures.

Farther north, an expedition to the British Isles, Norway and Iceland gets you closer to the wildlife and wilderness of these remote, windswept, ice-carved lands in seamless comfort.

With three unique fare options – **Door-to-Door All-Inclusive**, **Port-to-Port All-Inclusive**, and our new **Essential fare** – there are so many ways for you to design the journey of your dreams. Plus, when you book your voyage by 31 May 2024 you can take advantage of our **Suite Upgrades** offer featuring category upgrades, a **US\$1,000 shipboard credit** per suite, and a 15% reduced deposit on select sailings. We can't wait to show you these parts of the world.

Warmest personal regards,

Immersive, intimate journeys

Decades of experiential discovery

OUR HOME, OUR SEA

Building on our Mediterranean heritage and 30 years of sailing these shores, we have perfected the art of showcasing the authentic essence of the destinations that line this legendary sea with unique experiences designed by our local experts.

EXPEDITION INNOVATORS

Silversea pioneered luxury expedition voyages in 2008 becoming the first line to marry extraordinary comfort with extreme discovery, and today we take you deeper into the wilderness of the British Isles, Iceland and Norway than ever before.

ITINERARIES TO INSPIRE

Balancing iconic cities with lesser-known destinations that only Silversea explores, our curated itineraries of varying lengths offer multiple overnight stays and longer time in port allowing for truly meaningful – and personalised – discovery.

SMALL, ALL-SUITE SHIPS

Our ships are small by design. They can host far more than the 50 to 364 suites found on our vessels fleetwide, which allows for extraordinary spaciousness and an unmatched range of restaurants, bars and lounges, and entertainment venues.

Whispered Italian luxury

The Silversea Difference

PERSONALISED SERVICE

Our industry-leading staff-to-guest service ratio of nearly 1:1 ensures your every need is met, including personal butler service for every suite delivering the most bespoke experience at sea.

GORGEOUS SUITES

Our elegant suites are some of the most spacious anywhere. Generously appointed with exquisite amenities, each offers you an ocean-view and most feature a private teak veranda.

EXTRAORDINARY CUISINE

Gastronomy in all its forms – elegant or casual venues, in-suite dining or hands-on learning – is a signature hallmark of the Silversea experience with exquisite options on every ship.

ALL-INCLUSIVE ELEGANCE

Ocean-going or expedition, our all-inclusive fares are the gold standard in ultra-luxury voyages, ensuring every aspect of your journey from ship to shore is enjoyed in seamless comfort.

The Luxury of Choice

Three fare options, limitless experiences

Catering to the individual preferences of today's travellers, Silversea offers three unique fare options: our *all-encompassing* **Door-to-Door All-Inclusive fare**; our *enhanced* **Port-to-Port All-Inclusive fare** now available on all voyages; and our new *voyage-only* **Essential fare** on selected sailings featuring all onboard inclusive amenities and services (see page 17 for details).

The Mediterranean

Cultural wonders and culinary delights

Silversea was born of these shores, and no one understands the Mediterranean and its legacies better than we do. From the French and Italian rivieras to the Greek Isles and Iberian Peninsula, our small ships access the least-travelled ports as well as the majors – all with unparalleled expertise. Beyond the monuments and museums, we invite you to experience every brightly tiled coastline and rustic streetscape from an insider's perspective, from the architectural marvels that whisper tales of bygone eras to present-day cuisine infused with aeons of tradition.

MEDITERRANEAN HIGHLIGHTS

- Silversea explores over 100 Mediterranean destinations – more than any other line.
- Itineraries feature multiple overnights and longer stays, and only Silversea visits smaller ports such as Saint-Tropez on the Côte d'Azur, Bastia in Corsica and Rethymnon in Crete.
- Our bespoke S.A.L.T. programme (Sea And Land Taste) offers immersive culinary experiences into a destination's culture.

Northern Europe: Expeditions

British Isles, Norway and Iceland

Navigate the iconic shores of the British Isles to witness weather-worn cliffs, pastoral wilderness and staggering wildlife with intimate insights. Hosting just 274 guests, *Silver Wind* gets you close to UNESCO-listed history and fabled coasts from the Scottish Highlands to the Hebrides, Orkneys and Shetlands – magical islands all – in search of puffins and ponies, castles and cattle, whales and whisky. Venture from the Emerald Isle to explore Norway's legendary fjords and charming villages. Farther on lie the glaciated tundra and geothermal wonders of Iceland where the astonishing, little-explored Westfjords await your arrival.

EXPEDITION HIGHLIGHTS

- Deeply immersive itineraries visit little-known destinations inaccessible to other ships such as Iceland's Raufarhofn, Norway's Bekkjarvik, and Ireland's Tory Island.
- A destination-specific Expedition Team hosts every itinerary with small-group discovery ashore and intimate conversations onboard.
- Time in certain destinations will follow the cues of wildlife, while Zodiac landings (1-2 per day, weather permitting) and kayaking excursions allow for extraordinary discovery.

Introducing *Silver Ray*

Debuting summer 2024 in the Mediterranean

Boasting an innovative, asymmetrical design with decks that open up to the world – coupled with an unprecedented use of glass throughout – *Silver Ray* is indeed a “ship of light.” Our newest ship is also our most innovative, joining sister ship *Silver Nova* (August 2023) as one of the most environmentally conscious ultra-luxury vessels ever built. Discerning travellers will enjoy the extraordinary space, our greatest variety of suites, and the broadest array of bars, lounges and restaurants among all luxury lines.

SILVER RAY SPECIFICATIONS

- Guest capacity: 728
- Crew capacity: 544
- Built: 2024
- Tonnage: 54,700

LIGHT-FILLED SUITES

Silver Ray's pioneering architecture allows for 13 different suite categories – all with private verandas and butler service – including new aft suites that deliver stunning 270° views.

SPACIOUS PUBLIC AREAS

From the uninterrupted views of The Pool Deck to an industry-leading variety of bars and lounges, *Silver Ray's* uniquely spacious design fosters a strong sense of community onboard.

ELEVATED DINING

Nine dining venues – more than any other ultra-luxury ship – offer formal and casual options, signature restaurants including French, Italian and Asian, and a broadened offering of green cuisine.

S.A.L.T. CHEF'S TABLE

An intimate, interactive dining experience hosted nightly for up to 18 guests featuring a curated menu of small plates with wine pairings and craft cocktails. *Silver Ray* and *Silver Nova* only.

Savouring S.A.L.T.

Our acclaimed culinary programme shines in the Mediterranean

THE ESSENCE OF S.A.L.T.

Our highly immersive Sea And Land Taste programme connects you to people and cultures through cuisine. Conceived by Adam Sachs, former editor of *Saveur Magazine*, S.A.L.T. is an onboard ecosystem of gastronomic discovery and immersive excursions ashore.

S.A.L.T. AT SEA

Available aboard *Silver Moon*, *Silver Dawn*, *Silver Nova* and soon *Silver Ray*, dedicated venues invite you to take your palate on a trip to the S.A.L.T. Bar and S.A.L.T. Kitchen to discover craft cocktails and destination-focused local cuisine.

COOKING WITH S.A.L.T.

A truly interactive cooking laboratory, the S.A.L.T. Lab is a professional kitchen where you can participate in small-group sessions to not only learn how to cook a recipe, but to understand its provenance, heritage and key ingredients.

S.A.L.T. EXPERIENCES

On a S.A.L.T. excursion, you might visit a Mallorcan family estate for a wine tasting and lunch, go on a foraging (and eating) adventure in Puglia, discover the secrets of a working organic farm in Greece, or try your hand at pastry-making in Sicily.
